3 Sec. 2.17. "Foster family home" means a facility for child
4 care in residences of families who receive no more than 8
5 children unrelated to them, unless all the children are of
6 common parentage, or residences of relatives who receive no
7 more than 8 related children placed by the Department, unless
8 the children are of common parentage, for the purpose of
9 providing family care and training for the children on a
10 full-time basis, except the Director of Children and Family
11 Services, pursuant to Department regulations, may waive the
12 limit of 8 children unrelated to an adoptive family for good
13 cause and only to facilitate an adoptive placement. The
14 family's or relative's own children, under 18 years of age,
15 shall be included in determining the maximum number of children
16 served. For purposes of this Section, a "relative" includes any
17 person, 21 years of age or over, other than the parent, who (i)
18 is currently related to the child in any of the following ways

20 uncle, aunt, nephew, niece, first cousin, great-uncle, or
21 great-aunt; or (ii) is the spouse of such a relative; or (iii)
22 is a child's step-father, step-mother, or adult step-brother or
23 step-sister; or (iv) is a fictive kin; "relative" also includes
24 a person related in any of the foregoing ways to a sibling of a
25 child, even though the person is not related to the child, when

1 the child and its sibling are placed together with that person.
2 The term "foster family home" includes homes receiving children
3 from any State-operated institution for child care; or from any
4 agency established by a municipality or other political
5 subdivision of the State of Illinois authorized to provide care
6 for children outside their own homes. The term "foster family
7 home" does not include an "adoption-only home" as defined in
8 Section 2.23 of this Act. The types of foster family homes are
9 defined as follows:

10 (a) "Boarding home" means a foster family home which
11 receives payment for regular full-time care of a child or
12 children.

13 (b) "Free home" means a foster family home other than an

21 by rendering some services to the family not prohibited by the
22 Child Labor Law or by standards or regulations of the
23 Department prescribed under this Act. The child or children may
24 receive a wage in connection with the services rendered the
25 foster family.

26 (e) "Agency-supervised home" means a foster family home

1 under the direct and regular supervision of a licensed child
2 welfare agency, of the Department of Children and Family
3 Services, of a circuit court, or of any other State agency
4 which has authority to place children in child care facilities,
5 and which receives no more than 8 children, unless of common
6 parentage, who are placed and are regularly supervised by one
7 of the specified agencies.

8 (f) "Independent home" means a foster family home, other
9 than an adoptive home, which receives no more than 4 children,
10 unless of common parentage, directly from parents, or other
11 legally responsible persons, by independent arrangement and
12 which is not subject to direct and regular supervision of a
